RALLY

28 to 30 March 2025

2025 4 2025 GENERATIONS RALLY

28 to 30 March 2025

Following on from the overwhelming successes of the first three editions, the *Generations Rally* in 2025 will again be based in a single hotel. The Majestic Hotel & Spa offers a unique blend of old-world charm and modern sophistication in the heart of the Victorian spa town of Harrogate - home of Betty's Tea Rooms. This base is perfectly situated to take the best advantage of the incredible driving roads and motorsport venues that "God's own County" of Yorkshire has to offer.

Friday 28 March: Scrutineering & Signing On, afternoon of competition, Welcome Dinner

Saturday 29 March: Full day of rallying

Sunday 30 March: Final morning of action, Lunch & Prize-giving

Activities will get under way on Friday morning with the normal pre-event formalities of Scrutineering and Signing-On. After a light lunch and introductory briefing, the event starts with a full afternoon's rallying close to Harrogate that will allow newbies to familiarise themselves with the concepts of Tests and Regularity Sections. The evening will then see us all joining together for a Welcome Dinner. This gives the chance within a convivial environment to share hints, experiences and maybe the odd mishap with both fellow newcomers, and those who already have years of rally experience.

To request an entry form and secure your place, please go to www.rallytheglobe.com or email info@rallytheglobe.com

Saturday sees us heading North and East across the Vale of York for a full day of rallying through the beautiful landscapes of the North Yorkshire Moors.

The Regularities and Tests will gradually become more challenging as the day progresses and as crews become acquainted with the techniques required. Returning to Harrogate in the late afternoon, drinks and dinner will again be a great time to discuss the day's achievements or otherwise.

Sunday will feature a morning of competition on the edge of the Yorkshire Dales with enough challenges to shape the final leaderboard. A late lunch and an afternoon prize-giving will then allow for a return home at a reasonable time - after what we are sure will have been another terrific introduction of our hobby to the next generation.

We hope you can join us!

Eligible Crew: Each crew should consist of members of two distinct Generations - ideally from the same family. All crew members must be at least 12 years old at the time of the event. Any crew member under the age of 18 may only form a crew with their parent or legal guardian.

Eligible Cars: Cars of a specification produced before 31st December 1985. There will be a separate classification for cars of a specification produced before 31st December 1945. Please check with us if you are not sure if your car is eligible.

Competition: There will be Regularity Sections each day on twisty but quiet minor roads. Special Tests will also take place throughout the event on private land, which can include farm tracks and large car parks.

Roads used: Some of the most scenic roads in the area can be

bumpy so low-slung cars may need to be driven with care, but we will avoid rough, potholed and unsurfaced roads as much as possible.

Hospitality: Our high-class accommodation will also be the venue for dinner each evening, and for a Prize-giving Gala Lunch on the final day.

Navigation: The rally navigation will utilise a tulip Road Book with simple Regularities and Tests to start with, getting a little more complicated as the event progresses. Some sections will require straight-forward map reading using map extracts that will be provided in the Road Book.

Tuition will be given before the start for crews that haven't taken part in this type of rallying before, and Rally the Globe mentor teams will be on hand throughout the event to help with any queries.

Rally the Globe

VINTAGE AND CLASSIC CAR CLUB

Rally the Globe is a not-for-profit club that exists to support a broad family of motorsport enthusiasts who want to explore the world in vintage and classic vehicles.

All our club's rallies come with the highly experienced support crew and safety cover including:

- Expert teams of sweep mechanics following the rally route to assist anyone they encounter, and to help you effect repairs at the end of the day
- On-call doctor or paramedic on every event
- Recommendations of experts in crew training and car preparation, shipping and insurance who can help ensure that you and your car arrive at the start line fully rally fit
- Advice, encouragement and assistance from our friendly and knowledgeable team both before the start and during the event.
